(B) instructions given in accordance with the Applicable Procedures containing information regarding the Participant account to be credited with such increase.

(3) *Transfer of Beneficial Interests to Another Restricted Global Note.* A beneficial interest in any Restricted Global Note may be transferred to a Person who takes delivery thereof in the form of a beneficial interest in another Restricted Global Note if the transfer complies with the requirements of Section 2.06(b)(2) above and the Registrar receives the following:

(A) if the transferee shall take delivery in the form of a beneficial interest in the 144A Global Note, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(4) *Transfer and Exchange of Beneficial Interests in Restricted Global Notes to Restricted Definitive Notes.* If any holder of a beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note or to transfer such beneficial interest to a Person who takes delivery thereof in the form of a Restricted Definitive Note, then, upon receipt by the Registrar of the following documentation:

(A) if the holder of such beneficial interest in a Restricted Global Note proposes to exchange such beneficial interest for a Restricted Definitive Note, a certificate from such holder in the form of Exhibit C hereto, including the certifications in item (a) thereof;

(B) if such beneficial interest is being transferred to a QIB in accordance with Rule 144A, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (1) thereof;

(C) if such beneficial interest is being transferred pursuant to an exemption from the registration requirements of the Securities Act in accordance with Rule 144, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2)(a) thereof;

(D) if such beneficial interest is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (C) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (2) thereof, if applicable;

(E) if such beneficial interest is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2)(b) thereof; or

the Trustee shall cause the aggregate principal amount of the applicable Global Note to be reduced accordingly pursuant to Section 2.06(f) hereof, and the Company shall execute and the Trustee shall authenticate, upon receipt of an Authentication Order, and deliver to the Person designated in such Authentication Order a Definitive Note in the appropriate principal amount. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(b) shall be registered in such name or names and in such authorized denomination or denominations as the holder of such beneficial interest shall instruct the Registrar through instructions from the Depository and the Participant or Indirect Participant. The Trustee shall deliver such Definitive Notes to the Persons in whose names such Notes are so registered. Any Definitive Note issued in exchange for a beneficial interest in a Restricted Global Note pursuant to this Section 2.06(b) shall bear the Private Placement Legend and shall be subject to all restrictions on transfer contained therein.

(c) *Transfer and Exchange of Definitive Notes for Beneficial Interests.*

(1) *Restricted Definitive Notes to Beneficial Interests in Restricted Global Notes.* If any Holder of a Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note or to transfer such Restricted Definitive Notes to a Person who takes delivery thereof in the form of a beneficial interest in a Restricted Global Note, then, upon receipt by the Registrar of the following documentation:

(A) if the Holder of such Restricted Definitive Note proposes to exchange such Note for a beneficial interest in a Restricted Global Note, a certificate from such Holder in the form of Exhibit C hereto, including the certifications in item (b) thereof;

(D) if such Restricted Definitive Note is being transferred to an Institutional Accredited Investor in reliance on an exemption from the registration requirements of the Securities Act other than those listed in subparagraphs (B) through (C) above, a certificate to the effect set forth in Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (2)(d) thereof, if applicable;

(E) if such Restricted Definitive Note is being transferred to the Company or any of its Subsidiaries, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2)(b) thereof; or

(F) if such Restricted Definitive Note is being transferred pursuant to an effective registration statement under the Securities Act, a certificate to the effect set forth in Exhibit B hereto, including the certifications in item (2)(c) thereof,

the Trustee shall cancel the Restricted Definitive Note, increase or cause to be increased the aggregate principal amount of, in the case of clause (A) above, the appropriate Restricted Global Note, in the case of clause (B) above, the 144A Global Note, and in all other cases, the IAI Global Note.

(d) *Transfer and Exchange of Definitive Notes for Definitive Notes.* Upon request by a Holder of Definitive Notes and such Holder's compliance with the provisions of this Section 2.06(d), the Registrar shall register the transfer or exchange of Definitive Notes. Prior to such registration of transfer or exchange, the requesting Holder must present or surrender to the Registrar the Definitive Notes duly endorsed or accompanied by a written instruction of transfer in form satisfactory to the Registrar duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder must provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.06(d).

(1) *Restricted Definitive Notes to Restricted Definitive Notes.* Any Restricted Definitive Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Definitive Note if the Registrar receives the following:

(A) if the transfer shall be made pursuant to Rule 144A under the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications in item (1) thereof; and

(B) if the transfer shall be made pursuant to any other exemption from the registration requirements of the Securities Act, then the transferor must deliver a certificate in the form of Exhibit B hereto, including the certifications, certificates and Opinion of Counsel required by item (2) thereof, if applicable.

(e) *Legends.* The following legends shall appear on the face of all Global Notes and Definitive Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture.

(1) *Private Placement Legend.*

(A) Each Global Note and each Definitive Note (and all Notes issued in exchange therefor or substitution thereof) shall bear the legend in substantially the following form:

(f) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Definitive Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.11 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note or for Definitive Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who shall take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(g) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Definitive Notes upon receipt of an Authentication Order in accordance with Section 2.02 or at the Registrar's request.

(2) No service charge shall be made to a Holder of a Global Note or to a Holder of a Definitive Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.10, 3.06, 3.09, 3.10 and 9.05 hereof).

(3) The Registrar shall not be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Definitive Notes issued upon any registration of transfer or exchange of Global Notes or Definitive Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Definitive Notes surrendered upon such registration of transfer or exchange.

(5) The Company shall not be required:

(A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 15 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection;

(B) to register the transfer of or to exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part; or

(C) to register the transfer of or to exchange a Note between a record date and the next succeeding interest payment date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) The Trustee shall authenticate Global Notes and Definitive Notes in accordance with the provisions of Section 2.02 hereof.

(8) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.06 to effect a registration of transfer or exchange may be submitted by facsimile.

Section 2.07 *Replacement Notes.*

If any mutilated Note is surrendered to the Trustee or the Company and the Trustee receives evidence to its satisfaction of the destruction, loss or theft of any Note, the Company shall issue and the Trustee, upon receipt of an Authentication Order, shall authenticate a replacement Note if the Trustee's requirements hereunder are met. If required by the Trustee or the Company, an indemnity bond must be supplied by the Holder that is sufficient in the judgment of the Trustee and the Company to protect the Company, the Trustee, any Agent and any authenticating agent from any loss that any of them may suffer if a Note is replaced. The Company may charge the applicable Holder for its expenses in replacing a Note.

Every replacement Note is an additional obligation of the Company and shall be entitled to all of the benefits of this Indenture equally and proportionately with all other Notes duly issued hereunder.

Section 2.08 *Outstanding Notes.*

The Notes outstanding at any time are all the Notes authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest in a Global Note effected by the Trustee in accordance with the provisions hereof, and those described in this Section as not outstanding. Except as set forth in Section 2.09 hereof, a Note does not cease to be outstanding because the Company or an Affiliate of the Company holds the Note.

If a Note is replaced pursuant to Section 2.07 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a protected purchaser.

If the principal amount of any Note is considered paid under Section 4.01 hereof, it ceases to be outstanding and interest on it ceases to accrue.

If the Paying Agent (other than the Company, a Subsidiary or an Affiliate of any thereof) holds, on a redemption date or maturity date, money sufficient to pay Notes payable on that date, then on and after that date such Notes shall be deemed to be no longer outstanding and shall cease to accrue interest.

Section 2.09 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any direction, waiver or consent, Notes owned by the Company, or by any Person directly or indirectly controlling or controlled by or under direct or indirect common control with the Company, shall be considered as though not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent, only Notes that the Trustee knows are so owned shall be so disregarded.

Section 2.10 *Temporary Notes.*

Until certificates representing Notes are ready for delivery, the Company may prepare and the Trustee, upon receipt of an Authentication Order, shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of certificated Notes but may have variations that the Company considers appropriate for temporary Notes and as may be reasonably acceptable to the Trustee. Without unreasonable delay, the Company shall prepare and the Trustee shall, upon receipt of an Authentication Order, authenticate definitive Notes in exchange for temporary Notes.

Holders of temporary Notes shall be entitled to all of the benefits of this Indenture.

Section 2.11 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee and no one else shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall destroy canceled Notes in accordance with its customary practices (subject to the record retention requirement of the Exchange Act). Certification of the destruction of all canceled Notes shall be delivered to the Company. The Company may not issue new Notes to replace Notes that it has paid or that have been delivered to the Trustee for cancellation.

Section 2.12 *Defaulted Interest.*

If the Company defaults in a payment of interest on the Notes, it shall pay the defaulted interest in any lawful manner plus, to the extent lawful, interest payable on the defaulted interest, to the Persons who are Holders on a subsequent special record date, in each case at the rate provided in the Notes and in Section 4.01 hereof. The Company shall notify the Trustee in writing of the amount of defaulted interest proposed to be paid on each Note and the date of the proposed payment. The Company shall fix or cause to be fixed each such special record date and payment date, *provided* that no such special record date may be less than 10 days prior to the related payment date for such defaulted interest. At least 15 days before the special record date, the Company (or, upon the written request of the Company, the Trustee in the name and at the expense of the Company) shall mail or cause to be mailed to Holders a notice that states the special record date, the related payment date and the amount of such interest to be paid.

ARTICLE 3.
REDEMPTION AND PREPAYMENT

Section 3.01 Notices to Trustee.

If the Company elects to redeem the Notes pursuant to the optional redemption provisions of Section 3.07 hereof, it must furnish to the Trustee, at least 30 days but not more than 60 days before a redemption date, an *Officer's Certificate* setting forth:

- (1) the clause of this Indenture pursuant to which the redemption shall occur;
- (2) the redemption date;
- (3) the principal amount of Notes to be redeemed; and
- (4) the redemption price.

Section 3.02 Selection of Notes to Be Redeemed or Purchased.

If less than all of the Notes are to be redeemed or purchased in an offer to purchase at any time, the Trustee shall select Notes for redemption or purchase as follows:

- (1) if the Notes are listed on any national securities exchange, in compliance with the requirements of the principal national securities exchange on which the Notes are listed; or
- (2) if the Notes are not listed on any national securities exchange, on a *pro rata* basis, by lot or by such method as the Trustee shall deem fair and appropriate.

In the event of partial redemption or purchase by lot, the particular Notes to be redeemed or purchased shall be selected, unless otherwise provided herein, not less than 30 nor more than 60 days prior to the redemption or purchase date by the Trustee from the outstanding Notes not previously called for redemption or purchase.

The Trustee shall promptly notify the Company in writing of the Notes selected for redemption or purchase and, in the case of any Note selected for partial redemption or purchase, the principal amount thereof to be redeemed or purchased. Notes and portions of Notes selected shall be in amounts of \$1,000 or whole multiples of \$1,000; except that if all of the Notes of a Holder are to be redeemed or purchased, the entire outstanding amount of Notes held by such Holder, even if not a multiple of \$1,000, shall be redeemed or purchased. Except as provided in the preceding sentence, provisions of this Indenture that apply to Notes called for redemption or purchase also apply to portions of Notes called for redemption or purchase.

Section 3.03 Notice of Optional Redemption.

At least 30 days but not more than 60 days before a redemption date, the Company shall mail or cause to be mailed, by first class mail, a notice of redemption to each Holder whose Notes are to be redeemed at its registered address, except that redemption notices may be mailed more than 60 days prior to a redemption date if the notice is issued in connection with a defeasance of the Notes or a satisfaction and discharge of this Indenture pursuant to Articles 8 or 11, respectively, of this Indenture.

The notice shall identify the Notes to be redeemed and shall state:

- (1) the redemption date;
- (2) the redemption price;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the redemption date upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion shall be issued upon cancellation of the original Note;
- (4) the name and address of the Paying Agent;
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
- (6) that, unless the Company defaults in making such redemption payment, interest on Notes called for redemption ceases to accrue on and after the redemption date;
- (7) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed; and
- (8) that no representation is made as to the correctness or accuracy of the CUSIP number, if any, listed in such notice or printed on the Notes.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense; *provided, however*, that the Company has delivered to the Trustee, at least 45 days prior to the redemption date, an Officer's Certificate requesting that the Trustee give such notice and setting forth the information to be stated in such notice as provided in the preceding paragraph.

Section 3.04 *Effect of Notice of Optional Redemption.*

Once notice of redemption is mailed by the Company in accordance with Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the redemption date at the redemption price. A notice of redemption may not be conditional.

Section 3.05 *Deposit of Redemption or Purchase Price.*

Not less than one Business Day prior to the redemption or purchase price date, the Company shall deposit with the Trustee or with the Paying Agent money sufficient to pay the redemption or purchase price of and accrued interest on all Notes to be redeemed or purchased on that date. The Trustee or the Paying Agent shall promptly return to the Company any money deposited with the Trustee or the Paying Agent by the Company in excess of the amounts necessary to pay the redemption or purchase price of, and accrued interest on, all Notes to be redeemed or purchased.

If the Company complies with the provisions of the preceding paragraph, on and after the redemption or purchase date, interest shall cease to accrue on the Notes or the portions of Notes called for redemption or purchase. If a Note is redeemed or purchased on or after an interest record date but on or prior to the related interest payment date, then any accrued and unpaid interest (and Liquidated Damages, if any) shall be paid to the Person in whose name such Note was registered at the close of business on such record date. If any Note called for redemption or purchase is not so paid upon surrender for

redemption or purchase because of the failure of the Company to comply with the preceding paragraph, interest shall be paid on the unpaid principal, from the redemption or purchase date until such principal is paid, and to the extent lawful on any interest not paid on such unpaid principal, in each case at the rate provided in the Notes and in Section 4.01 hereof.

Section 3.06 *Notes Redeemed or Purchased in Part.*

Upon surrender of a Note that is redeemed or purchased in part, the Company shall issue and, upon receipt of an Authentication Order, the Trustee shall authenticate for the Holder at the expense of the Company a new Note equal in principal amount to the unredeemed or unpurchased portion of the Note surrendered.

Section 3.07 *Optional Redemption.*

At any time on or after November 22, 2009, the Company may redeem the Notes, in whole at any time, or in part from time to time, at a price equal to 100% of the aggregate principal amount of the Notes being redeemed plus accrued and unpaid interest (and Liquidated Damages, if any) up to but not including the date of redemption, payable to the Holders in cash. Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Section 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

The Company shall not be required to make mandatory redemption or sinking fund payments with respect to the Notes.

Section 3.09 *Purchase of Notes at Option of the Holder.*

(a) *General.* All or any portion of the Notes held by any Holder shall be purchased by the Company at the option of the Holder on November 15, 2009, November 15, 2013 and November 15, 2018 (each a "Purchase Date"), at a price equal to 100% of the aggregate principal amount of the Notes being purchased plus accrued and unpaid interest (and Liquidated Damages, if any) to the applicable Purchase Date (the "Purchase Price"). Purchases of Notes hereunder shall be made, at the option of the Holder thereof, upon:

(1) delivery to the Paying Agent by the Holder of a written notice of purchase (a "Purchase Notice") at any time from the opening of business on the date that is 20 Business Days prior to a Purchase Date until the close of business on the last Business Day prior to such Purchase Date stating:

(a) if certificated Notes have been issued, the certificate number of the Note which the Holder will deliver to be purchased, or if not certificated, the notice must comply with the Applicable Procedures,

(b) the portion of the principal amount of the Note which the Holder will deliver to be purchased, which portion must be in principal amounts of \$1,000 or an integral multiple thereof,

(c) that such Note shall be purchased as of the Purchase Date pursuant to the terms and conditions specified in this Section 3.09, and

(d) in the event the Company elects, pursuant to Section 3.09(b), to pay the Purchase Price, in whole or in part, in shares of Common Stock but such portion of the Purchase Price shall ultimately be payable to such Holder entirely in cash because any of the conditions to payment of the Purchase Price in shares of Common Stock is not satisfied prior to the close of business on the Purchase Date, as set forth below, whether such Holder elects (x) to withdraw such Purchase Notice as to some or all of the Notes to which such Purchase Notice relates (stating the principal amount and certificate numbers, if any, of the Notes as to which such withdrawal shall relate), or (y) to receive cash in respect of the entire Purchase Price for all Notes (or portions thereof) to which such Purchase Notice relates; and

(2) delivery of such Note to the Paying Agent prior to, on or after the Purchase Date (together with all necessary endorsements) at the offices of the Paying Agent, such delivery being a condition to receipt by the Holder of the Purchase Price therefor; *provided, however*, that such Purchase Price shall be so paid pursuant to this Section 3.09 only if the Note so delivered to the Paying Agent shall conform in all respects to the description thereof in the related Purchase Notice, as determined by the Company. If Global Notes are outstanding, such notice and tender of such Notes must comply with Applicable Procedures.

If a Holder, in such Holder's Purchase Notice and in any written notice of withdrawal delivered by such Holder pursuant to the terms of Section 3.11, fails to indicate such Holder's choice with respect to the election set forth in clause (d) of Section 3.09(a)(1), such Holder shall be deemed to have elected to receive cash in respect of the entire Purchase Price for all Notes subject to such Purchase Notice in the circumstances set forth in such clause (d).

The Company shall purchase from the Holder thereof, pursuant to this Section 3.09, a portion of a Note if the principal amount of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Note also apply to the purchase of such portion of such Note.

Any purchase by the Company contemplated pursuant to the provisions of this Section 3.09 shall be consummated by the delivery of the consideration to be received by the Holder promptly following the later of (x) the Purchase Date and (y) the time of delivery of the Note.

Notwithstanding anything herein to the contrary, any Holder delivering to the Paying Agent the Purchase Notice contemplated by this Section 3.09(a) shall have the right to withdraw such Purchase Notice at any time prior to the close of business on the Business Day preceding the Purchase Date by delivery of a written notice of withdrawal to the Paying Agent in accordance with Section 3.11.

The Paying Agent shall promptly notify the Company of the receipt by it of any Purchase Notice or written notice of withdrawal thereof.

(b) *Company's Right to Elect Manner of Payment of Purchase Price for Payment.* The Notes to be purchased on any Purchase Date pursuant to Section 3.09(a) may be paid for, at the election of the Company, in cash or shares of Common Stock, or in any combination of cash and shares of Common Stock, subject to the conditions set forth in Section 3.09(c). The Company shall designate, in the Company Notice delivered pursuant to Section 3.09(d), which shall be sent to Holders (and to beneficial owners as required by applicable law) not less than 20 Business Days prior to the Purchase Date (the "*Company Notice Date*"), whether the Company will purchase the Notes for cash or shares of Common Stock, or, if a combination thereof, the percentages of the Purchase Price of Notes in respect of which it will pay in cash and shares of Common Stock; *provided, however*, that the Company will pay cash for fractional shares of Common Stock. For purposes of determining the existence of potential

fractional shares, all Notes subject to purchase by the Company held by a Holder shall be considered together (no matter how many separate certificates are to be presented). Each Holder whose Notes are purchased pursuant to this Section 3.09 shall receive the same percentage of cash or shares of Common Stock in payment of the Purchase Price for such Notes, except (i) as provided in Section 3.09(c) with regard to the payment of cash in lieu of fractional shares of Common Stock and (ii) in the event that the Company is unable to purchase the Notes of a Holder or Holders for shares of Common Stock because any necessary qualifications or registrations of the shares of Common Stock under applicable state securities laws cannot be obtained, the Company may purchase the Notes of such Holder or Holders for cash. The Company may not change its election with respect to the consideration (or components or percentages of components thereof) to be paid once the Company has given its Company Notice to Holders of Notes except pursuant to this Section 3.09(b) or pursuant to Section 3.09(c) in the event of a failure to satisfy, prior to the close of business on the Purchase Date, any condition to the payment of the Purchase Price, in whole or in part, in Common Stock.

At least three Business Days before the Company Notice Date, the Company shall deliver an Officer's Certificate to the Trustee specifying:

- (1) the manner of payment selected by the Company;
- (2) the information required by Section 3.09(d);
- (3) if the Company elects to pay the Purchase Price, or a specified percentage thereof, in Common Stock, that the conditions to such manner of payment set forth in Section 3.09(c) have been or will be complied with; and
- (4) whether the Company desires the Trustee to give the Company Notice required by Section 3.09(d).

Simultaneously with the delivery of the Company Notice to Holders, the Company shall, or, if the Company has requested that Trustee deliver the Company Notice to Holders pursuant to this Section 3.09(b), shall cause the Trustee to, at the Company's expense and in the Company's name, disseminate a press release through any of Dow Jones & Company, Inc., Business Wire, Bloomberg Business News or Reuters (or if such organizations are not in existence at the time of issuance of such press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public) containing this information, and the Company shall publish the information on the Company's Web site on the World Wide Web or through such other public medium as the Company may use at that time.

(c) *Payment by Issuance of Shares of Common Stock.* At the option of the Company, the Purchase Price of Notes in respect of which a Purchase Notice pursuant to Section 3.09(a) has been given, or a specified percentage thereof, may be paid by the Company by the issuance of a number of shares of Common Stock equal to the quotient obtained by dividing (i) the amount of cash to which the Holders of Notes would have been entitled had the Company elected to pay all or such specified percentage, as the case may be, of the Purchase Price of such Notes in cash by (ii) the Market Price of one share of Common Stock, subject to the next succeeding paragraph.

The Company will not issue a fractional shares of Common Stock in payment of the Purchase Price. Instead the Company will pay cash for the current Market Price of the fractional share. The current Market Price of a fraction of a share shall be determined by the Company by multiplying the Market Price by such fraction and rounding the product to the nearest whole cent with one-half cent being rounded

upward. It is understood that if a Holder elects to have more than one Note purchased, the number of shares of Common Stock shall be based on the aggregate amount of Notes to be purchased.

If the Company elects to purchase the Notes by the issuance of shares of Common Stock, the Company Notice, as provided in Section 3.09(d), shall be sent to the Holders (and to beneficial owners as required by applicable law) not later than the Company Notice Date.

The Company's right to exercise its election to purchase Notes through the issuance of shares of Common Stock shall be conditioned upon:

- (1) the Company's not having given its Company Notice of an election to pay entirely in cash and its giving of timely Company Notice of election to purchase all or a specified percentage of the Notes with shares of Common Stock as provided herein;
- (2) the registration of such shares of Common Stock under the Securities Act, or the Exchange Act, in each case, if required;
- (3) such shares of Common Stock having been listed on the principal national securities exchange (currently The New York Stock Exchange) on which the Common Stock is listed;
- (4) any necessary qualification or registration under applicable state securities laws or the availability of an exemption from such qualification and registration; and
- (5) the receipt by the Trustee of an Officer's Certificate stating that (A) the terms of the issuance of the shares of Common Stock are in conformity with this Indenture and (B) the shares of Common Stock to be issued by the Company in payment of the Purchase Price in respect of Notes have been duly authorized and, when issued and delivered pursuant to the terms of this Indenture in payment of the Purchase Price in respect of the Notes, will be validly issued, fully paid and non-assessable and free from preemptive rights, and stating that the conditions above and the condition set forth in the second succeeding sentence have been satisfied.

Such Officer's Certificate shall also set forth (i) the number of shares of Common Stock to be issued for each \$1,000 principal amount of Notes, (ii) the Common Stock Price on each Trading Day during the period commencing on the first Trading Day of the period during which the Market Price is calculated and ending on the third Business Day prior to the applicable Purchase Date and (iii) the Market Price of the Common Stock. The Company may pay the Purchase Price (or any portion thereof) in shares of Common Stock only if the information necessary to calculate the Market Price is published in a daily newspaper of national circulation or is otherwise publicly available (e.g., by dissemination on the World Wide Web or by other public means). If the foregoing conditions are not satisfied with respect to a Holder or Holders prior to the close of business on the Purchase Date and the Company has elected to purchase the Notes pursuant to this Section 3.09 through the issuance of shares of Common Stock, the Company shall pay the entire Purchase Price of the Notes of such Holder or Holders in cash.

Upon determination of the actual number of shares of Common Stock to be issued for each \$1,000 principal amount of Notes, not later than the second Business Day prior to the relevant Purchase Date, the Company will disseminate a press release through any of Dow Jones & Company, Inc., Business Wire, Bloomberg Business News or Reuters (or if such organizations are not in existence at the time of issuance of such press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public) containing this information and publish the

information on the Company's Web site on the World Wide Web or through such other public medium as the Company may use at that time.

(d) *Notice of Election.* In connection with any purchase of Notes pursuant to this Section 3.09, the Company shall give notice to Holders setting forth information specified in this Section 3.09(d) (the "*Company Notice*").

In the event the Company has elected to pay the Purchase Price (or a specified percentage thereof) with shares of Common Stock, the Company Notice shall:

- (1) state that each Holder will receive shares of Common Stock with a Market Price determined as of a specified date prior to the Purchase Date equal to such specified percentage of the Purchase Price of the Notes held by such Holder (except any cash amount to be paid in lieu of fractional shares);
- (2) set forth the method of calculating the Market Price of the shares of Common Stock; and
- (3) state that because the Market Price of shares of Common Stock will be determined prior to the Purchase Date, Holders will bear the market risk with respect to the value of the shares of Common Stock to be received from the date such Market Price is determined to the Purchase Date.

In any case, each Company Notice shall include a form of Purchase Notice to be completed by a Holder of Notes and shall state:

- (1) the Purchase Price and the Conversion Price;
- (2) the name and address of the Paying Agent and the Conversion Agent;
- (3) that Notes as to which a Purchase Notice has been given may be converted if they are otherwise convertible only in accordance with Article 10 hereof and Paragraph 9 of the Notes if the applicable Purchase Notice has been withdrawn in accordance with the terms of this Indenture;
- (4) that Notes must be surrendered to the Paying Agent to collect payment;
- (5) that the Purchase Price for any security as to which a Purchase Notice has been given and not withdrawn will be paid promptly following the later of (x) the Purchase Date and (y) the time of surrender of such Note as described in (4);
- (6) the procedures the Holder must follow to exercise its rights under Section 3.09 and a brief description of those rights;
- (7) briefly, the conversion rights of the Notes;
- (8) the procedures for withdrawing a Purchase Notice (including, without limitation, for a conditional withdrawal pursuant to the terms of Section 3.09(a)(1)(d) or Section 3.11);

(9) that, unless the Company defaults in making payment on Notes for which a Purchase Notice has been submitted, interest on such Notes will cease to accrue on the Purchase Date; and

(10) the CUSIP number of the Notes.

At the Company's request, the Trustee shall give such Company Notice in the Company's name and at the Company's expense; *provided, however*, that, in all cases, the text of such Company Notice shall be prepared by the Company.

(e) *Covenants of the Company.* All shares of Common Stock delivered upon purchase of the Notes shall be newly issued shares or treasury shares, shall be duly authorized, validly issued, fully paid and nonassessable, and shall be free from preemptive rights and free of any lien or adverse claim.

(f) *Procedure upon Purchase.* The Company shall deposit cash (in respect of cash purchases under this Section 3.09 or for fractional shares, as applicable) or shares of Common Stock in respect of payment by issuance of shares of Common Stock under Section 3.09(c), except for fractional shares, or a combination thereof, as applicable, at the time and in the manner as provided in Section 3.12, sufficient to pay the aggregate Purchase Price of all Notes to be purchased pursuant to this Section 3.09. As soon as practicable after the Purchase Date, the Company shall deliver to each Holder entitled to receive shares of Common Stock through the Paying Agent a certificate for the number of full shares of Common Stock issuable in payment of the Purchase Price and cash in lieu of any fractional shares. The person in whose name the certificate for shares of Common Stock is registered shall be treated as a holder of record of Common Stock on the Business Day following the Purchase Date. No payment or adjustment will be made for dividends on the shares of Common Stock the record date for which occurred on or prior to the Purchase Date.

(g) *Taxes.* If a Holder of a purchased Note (pursuant to this Section 3.09 or Section 3.10) is paid in shares of Common Stock, the Company shall pay any documentary, stamp or similar issue or transfer tax due on such issue of Common Stock. However, the Holder shall pay any such tax which is due because the Holder requests the Common Stock to be issued in a name other than the Holder's name. The Paying Agent may refuse to deliver the certificates representing the shares of Common Stock being issued in a name other than the Holder's name until the Paying Agent receives a sum sufficient to pay any tax which will be due because the shares of Common Stock are to be issued in a name other than the Holder's name. Nothing herein shall preclude any income tax withholding required by law or regulations.

Section 3.10 *Purchase of Notes at Option of the Holder upon Change in Control.*

(a) If a Change in Control occurs, a Holder of Notes will have the right, at its option, to require the Company to repurchase all of its Notes, or any portion of the principal amount thereof at a purchase price equal to (1) the issue price plus any accrued and unpaid interest (and Liquidated Damages, if any) or (2) at the option of the Company, a number of shares of Common Stock as calculated below (the "*Change in Control Purchase Price*"), as of the date that is 45 days after the date of the Change in Control Notice (as defined below) delivered by the Company (the "*Change in Control Purchase Date*"), subject to satisfaction by or on behalf of the Holder of the requirements set forth in Section 3.10(c).

Notwithstanding the foregoing provisions of this Section 3.10, a Change in Control shall not be deemed to have occurred if:

(1) the Common Stock Price on The New York Stock Exchange for any five Trading Days within the period of 10 consecutive Trading Days ending immediately after the later of the

event, that, but for this provision, would constitute a Change in Control or the public announcement of such event, in the case of a Change in Control relating to an acquisition of Capital Stock, or the period of 10 consecutive Trading Days ending immediately before such event, in the case of Change in Control relating to a merger, consolidation or asset sale, equals or exceeds 105% of the Conversion Price of the Notes in effect on each of those Trading Days; or

(2) all of the consideration (excluding cash payments for fractional shares and cash payments made pursuant to dissenters' appraisal rights) in a merger or consolidation otherwise constituting a Change in Control above consists of shares of common stock traded on a national securities exchange or quoted on the Nasdaq National Market (or will be so traded or quoted immediately following the merger or consolidation) and as a result of the merger or consolidation the Notes become convertible into such common stock.

For purposes of this Section 3.10,

(x) the Conversion Price is equal to \$1,000 divided by the Conversion Rate,

(y) whether a person is a "beneficial owner" shall be determined in accordance with Rule 13d-3 under the Exchange Act; and

(z) "person" includes any syndicate or group that would be deemed to be a "person" under Section 13(d)(3) of the Exchange Act.

If the shares of Common Stock are not listed on The New York Stock Exchange at the relevant time, closing prices and Trading Days shall be calculated as reported by the NASDAQ.

At the option of the Company, the Change in Control Purchase Price of Notes in respect of which a Change in Control Purchase Notice pursuant to Section 3.10(c) has been given may be paid by the Company by the issuance of a number of shares of Common Stock equal to the quotient obtained by dividing (i) the product of (A) the amount of cash to which the Holders of Notes would have been entitled had the Company elected to pay all of the Change in Control Purchase Price of such Notes in cash and (B) 0.95, by (ii) the Market Price of shares of Common Stock, subject to the next succeeding paragraph.

The Company will not issue fractional shares of Common Stock in payment of the Change in Control Purchase Price. Instead the Company will pay cash for the current Market Price of the fractional share. The current Market Price of a fraction of a share shall be determined by multiplying the Market Price by such fraction and rounding the product to the nearest whole cent, with one-half cent being rounded upward. It is understood that if a Holder elects to have more than one Note purchased, the number of shares of Common Stock shall be based on the aggregate amount of Notes to be purchased.

In the event that the Company is unable to purchase the Notes of a Holder or Holders for shares of Common Stock because any necessary qualifications or registrations of the shares of Common Stock under applicable state securities laws cannot be obtained, the Company may purchase the Notes of such Holder or Holders for cash.

The Company may not change its election with respect to the consideration to be paid once the Company has given its Change in Control Notice to Holders of Notes except pursuant to this Section 3.10(a) or pursuant to Section 3.10(b) in the event of a failure to satisfy, prior to the close of business on the Change in Control Purchase Date, any condition to the payment of the Change in Control Purchase Price in Common Stock.

At least three Business Days before the Change in Control Notice Date (as defined below), the Company shall deliver an Officer's Certificate to the Trustee specifying:

- (i) the manner of payment selected by the Company;
- (ii) the information required by Section 3.10(b);
- (iii) if the Company elects to pay the Change in Control Purchase Price in Common Stock, that the conditions to such manner of payment set forth in this Section 3.10(a) have been or will be complied with; and
- (iv) whether the Company desires the Trustee to give the Change in Control Notice required by Section 3.10(b).

The Company's right to exercise its election to purchase Notes through the issuance of shares of Common Stock shall be conditioned upon:

- (i) the Company's giving of timely Change in Control Notice to purchase all of the Notes with shares of Common Stock as provided herein;
- (ii) the registration of such shares of Common Stock under the Securities Act or the Exchange Act, in each case, if required;
- (iii) such shares of Common Stock having been listed on the principal national securities exchange (currently The New York Stock Exchange) on which the Common Stock is listed;
- (iv) any necessary qualification or registration under applicable state securities laws or the availability of an exemption from such qualification and registration; and
- (v) the receipt by the Trustee of an Officer's Certificate stating that (A) the terms of the issuance of the shares of Common Stock are in conformity with this Indenture and (B) the shares of Common Stock to be issued by the Company in payment of the Change in Control Purchase Price in respect of Notes have been duly authorized and, when issued and delivered pursuant to the terms of this Indenture in payment of the Change in Control Purchase Price in respect of the Notes, will be validly issued, fully paid and non-assessable and free from preemptive rights, and stating that the conditions above and the condition set forth in the second succeeding sentence have been satisfied.

Such Officer's Certificate shall also set forth (i) the number of shares of Common Stock to be issued for each \$1,000 principal amount of Notes, (ii) the Common Stock Price on each Trading Day during the period commencing on the first Trading Day of the period during which the Market Price is calculated and ending on the third Business Day prior to the Change in Control Purchase Date and (iii) the Market Price of the Common Stock.

The Company may pay the Change in Control Purchase Price in shares of Common Stock only if the information necessary to calculate the Market Price is published in a daily newspaper of national circulation or is otherwise publicly available (e.g., by dissemination on the World Wide Web or by other public means). If the foregoing conditions are not satisfied with respect to a Holder or Holders prior to the

close of business on the Change in Control Purchase Date and the Company has elected to purchase the Notes pursuant to this Section 3.10 through the issuance of shares of Common Stock, the Company shall pay the entire Purchase Price of the Notes of such Holder or Holders in cash.

(b) No later than 30 days after the occurrence of a Change in Control, the Company shall mail a written notice of the Change in Control (the "*Change in Control Notice*" the date of such mailing, the "*Change in Control Notice Date*") by first-class mail to the Trustee and to each Holder (and to beneficial owners to the extent required by applicable law). The notice shall include a form of Change in Control Purchase Notice to be completed by the Holder that wishes to exercise rights under this Section 3.10 and shall state:

(1) briefly, the events causing a Change in Control and the date of such Change in Control;

(2) the date by which the Change in Control Purchase Notice pursuant to this Section 3.10 must be given;

(3) the Change in Control Purchase Date;

(4) the Change in Control Purchase Price;

(5) the name and address of the Paying Agent and the Conversion Agent;

(6) the Conversion Rate and any adjustments thereto;

(7) that Notes must be surrendered to the Paying Agent to collect payment;

(8) that the Change in Control Purchase Price for any Note as to which a Change in Control Purchase Notice has been duly given will be paid promptly following the later of (x) the Change in Control Purchase Date and (y) the time of surrender of such Note as described in (7);

(9) briefly, the procedures the Holder must follow to exercise rights under this Section 3.10;

(10) briefly, the conversion rights, if any, of the Notes;

(11) that, unless the Company defaults in making payment of such Change in Control Purchase Price, interest on Notes surrendered for purchase by the Company will cease to accrue on and after the Change in Control Purchase Date; and

(12) the CUSIP numbers of the Notes.

In the event the Company has elected to pay the Change in Control Purchase Price with shares of Common Stock, the Change in Control Notice shall:

(1) state that the Company will pay the Change in Control Purchase Price with shares of Common Stock;

(2) set forth the method of calculating the number of shares of Common Stock to be paid; and

(3) state that because the Market Price of shares of Common Stock will be determined prior to the Change in Control Purchase Date, Holders will bear the market risk with respect to the value of the shares of Common Stock to be received from the date such Market Price is determined to the Change in Control Purchase Date.

Simultaneously with the delivery of the Change in Control Notice to Holders, the Company shall, or, if the Company has requested that Trustee deliver the Company Notice to Holders pursuant to Section 3.10(a), shall cause the Trustee to, at the Company's expense and in the Company's name, disseminate a press release through any of Dow Jones & Company, Inc., Business Wire, Bloomberg Business News or Reuters (or if such organizations are not in existence at the time of issuance of such press release, such other news or press organization as is reasonably calculated to broadly disseminate the relevant information to the public) containing this information, and the Company shall publish the information on the Company's Web site on the World Wide Web or through such other public medium as the Company may use at that time.

(c) A Holder may exercise its rights specified in Section 3.10(a) upon delivery of an irrevocable written notice of purchase (a "*Change in Control Purchase Notice*") to the Paying Agent at any time on or prior to the 30th day after the Company delivers its Change in Control Notice, stating:

- (1) the certificate number of the Note which the Holder will deliver to be purchased;
- (2) the portion of the principal amount of the Note which the Holder will deliver to be purchased, which portion must be \$1,000 or an integral multiple thereof; and
- (3) that such Note shall be purchased pursuant to the terms and conditions specified in this Section 3.10.

The delivery of such Note to the Paying Agent with the Change in Control Purchase Notice (together with all necessary endorsements) at the offices of the Paying Agent shall be a condition to the receipt by the Holder of the Change in Control Purchase Price therefor; *provided, however*, that such Change in Control Purchase Price shall be so paid pursuant to this Section 3.10 only if the Note so delivered to the Paying Agent shall conform in all respects to the description thereof set forth in the related Change in Control Purchase Notice.

The Company shall purchase from the Holder thereof, pursuant to this Section 3.10, a portion of a Note if the principal amount of such portion is \$1,000 or an integral multiple of \$1,000. Provisions of this Indenture that apply to the purchase of all of a Note also apply to the purchase of such portion of such Note. Any purchase by the Company contemplated pursuant to the provisions of this Section 3.10 shall be consummated by the delivery of the consideration to be received by the Holder on the Change in Control Purchase Date.

(d) All shares of Common Stock delivered upon purchase of the Notes shall be newly issued shares or treasury shares, shall be duly authorized, validly issued, fully paid and nonassessable, and shall be free from preemptive rights and free of any lien or adverse claim.

(e) The Company shall deposit cash (in respect of a cash purchases under Section 3.10 or for fractional shares of Common Stock, as applicable) or shares of Common Stock, or a combination thereof, as applicable, at the time and in the manner as provided in Section 3.12, sufficient to pay the aggregate Change in Control Purchase Price of all Notes to be purchased pursuant to this Section 3.10. As soon as practicable after the Change in Control Purchase Date, the Company shall deliver to each Holder entitled

to receive shares of Common Stock through the Paying Agent a certificate for the number of full shares of Common Stock issuable in payment of the Change in Control Purchase Price and cash in lieu of any fractional shares. The person in whose name the certificate for shares of Common Stock is registered shall be treated as a holder of record of Common Stock on the Business Day following the Change in Control Purchase Date. No payment or adjustment will be made for dividends on the shares of Common Stock the record date for which occurred on or prior to the Change in Control Purchase Date.

Section 3.11 *Effect of Purchase Notice or Change in Control Purchase Notice.*

Upon receipt by the Paying Agent of the Purchase Notice specified in Section 3.09(a) or Change in Control Purchase Notice specified in Section 3.10(c), as applicable, the Holder of the Note in respect of which such Purchase Notice or Change in Control Purchase Notice, as the case may be, was given shall (unless, in the case of the Purchase Notice, such Purchase Notice is withdrawn as specified in the following two paragraphs) thereafter be entitled to receive solely the Purchase Price or Change in Control Purchase Price, as the case may be, with respect to such Note. Such Purchase Price or Change in Control Purchase Price shall be paid to such Holder, subject to receipts of funds and/or securities by the Paying Agent, promptly following the later of (x) the Purchase Date or the Change in Control Purchase Date, as the case may be, with respect to such Note (provided the conditions in Section 3.09(a) or Section 3.10(c), as applicable, have been satisfied) and (y) the time of delivery of such Note to the Paying Agent by the Holder thereof in the manner required by Section 3.09(a) or Section 3.10(c), as applicable. If the Paying Agent holds money or securities sufficient to pay the Purchase Price or Change in Control Purchase Price of the Notes on the Business Day following the Purchase Date or Change in Control Purchase Date, then:

- (1) the Notes will cease to be outstanding;
- (2) interest (and Liquidated Damages, if any) will cease to accrue; and
- (3) all other rights of the Holder of the Notes will terminate.

This will be the case whether or not book-entry transfer of the Notes is made or whether or not the Notes are delivered to the Paying Agent.

Notes in respect of which a Purchase Notice or Change in Control Purchase Notice has been given by the Holder thereof may not be converted pursuant to the provisions hereof on or after the date of the delivery of such Purchase Notice or Change in Control Purchase Notice, unless, in the case of the Purchase Notice, such Purchase Notice has first been validly withdrawn as specified in the following two paragraphs.

A Purchase Notice may be withdrawn by means of a written notice of withdrawal delivered to the office of the Paying Agent in accordance with the Purchase Notice at any time prior to the close of business on the last Business Day prior to the Purchase Date, specifying:

- (1) the certificate number, if any, of the Note in respect of which such notice of withdrawal is being submitted,
- (2) the principal amount of the Note with respect to which such notice of withdrawal is being submitted, and
- (3) the principal amount, if any, of such Note which remains subject to the original Purchase Notice, and which has been or will be delivered for purchase by the Company.

A written notice of withdrawal of a Purchase Notice may be in the form set forth in the preceding paragraph or may be in the form of (i) a conditional withdrawal contained in a Purchase Notice pursuant to the terms of Section 3.09(a)(1)(d) or (ii) a conditional withdrawal containing the information set forth in Section 3.09(a)(1)(d) and the preceding paragraph and contained in a written notice of withdrawal delivered to the Paying Agent as set forth in the preceding paragraph.

There shall be no purchase of any Notes pursuant to Section 3.09 or 3.10 if there has occurred (prior to, on or after, as the case may be, the giving, by the Holders of such Notes, of the required Purchase Notice or Change in Control Purchase Notice, as the case may be) and is continuing an Event of Default (other than a default in the payment of the Purchase Price or Change in Control Purchase Price, as the case may be, with respect to such Notes). The Paying Agent will promptly return to the respective Holders thereof any Notes (x) with respect to which a Purchase Notice has been withdrawn in compliance with this Indenture, or (y) held by it during the continuance of an Event of Default (other than a default in the payment of the Purchase Price or Change in Control Purchase Price, as the case may be, with respect to such Notes) in which case, upon such return, the Purchase Notice or Change in Control Purchase Notice with respect thereto shall be deemed to have been withdrawn.

Section 3.12 *Deposit of Purchase Price or Change in Control Purchase Price.*

Prior to 10:00 a.m. (local time in the City of New York) on the Purchase Date or the Change in Control Purchase Date, as the case may be, the Company shall deposit with the Trustee or with the Paying Agent (or, if the Company or a Subsidiary or an Affiliate of either of them is acting as the Paying Agent, shall segregate and hold in trust as provided in the Indenture) an amount of cash (in immediately available funds if deposited on such Business Day) or Common Stock, if permitted hereunder, sufficient to pay the aggregate Purchase Price or Change in Control Purchase Price, as the case may be, of all the Notes or portions thereof which are to be purchased as of the Purchase Date or Change in Control Purchase Date, as the case may be.

Section 3.13 *Notes Purchased in Part.*

Any certificated Note which is to be purchased only in part shall be surrendered at the office of the Paying Agent (with, if the Company or the Trustee so requires, due endorsement by, or a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Company shall execute and the Trustee shall authenticate and deliver to the Holder of such Note, without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder in aggregate principal amount equal to, and in exchange for, the portion of the principal amount of the Note so surrendered which is not purchased.

Section 3.14 *Covenant to Comply With Securities Laws Upon Purchase of Notes.*

When complying with the provisions of Section 3.09 or 3.10 hereof (*provided* that such offer or purchase constitutes an "issuer tender offer" for purposes of Rule 13e-4 (which term, as used herein, includes any successor provision thereto) under the Exchange Act at the time of such offer or purchase), the Company shall (i) comply with Rule 13e-4 and Rule 14e-1 (or any successor provision) under the Exchange Act, (ii) file the related Schedule TO (or any successor schedule, form or report) under the Exchange Act, and (iii) otherwise comply with all Federal and state securities laws so as to permit the rights and obligations under Sections 3.09 and 3.10 to be exercised in the time and in the manner specified in Sections 3.09 and 3.10.

Section 3.15 *Repayment to the Company.*

The Trustee and the Paying Agent shall return to the Company any cash or shares of Common Stock that remain unclaimed, together with interest or dividends, if any, thereon held by them for the payment of the Purchase Price or Change in Control Purchase Price, as the case may be; *provided, however*, that to the extent that the aggregate amount of cash or shares of Common Stock deposited by the Company pursuant to Section 3.12 exceeds the aggregate Purchase Price or Change in Control Purchase Price, as the case may be, of the Notes or portions thereof which the Company is obligated to purchase as of the Purchase Date or Change in Control Purchase Date, as the case may be, then, unless otherwise agreed in writing with the Company, promptly after the Business Day following the Purchase Date or Change in Control Purchase Date, as the case may be, the Trustee shall return any such excess to the Company together with interest or dividends, if any, thereon. Prior to such return, any such excess funds held by the Paying Agent shall be invested in cash or Permitted Investments as may be directed by the Company from time to time.

ARTICLE 4. COVENANTS

Section 4.01 *Payment of Notes.*

The Company shall pay or cause to be paid the principal of, premium, if any, and interest on the Notes on the dates and in the manner provided in the Notes. Principal, premium, if any, and interest shall be considered paid on the date due if the Paying Agent, if other than the Company or a Subsidiary thereof, holds as of 10:00 a.m. Eastern Time on the due date money deposited by the Company in immediately available funds and designated for and sufficient to pay all principal, premium, if any, and interest then due.

The Company shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue principal at the rate equal to 1% per annum in excess of the then applicable interest rate on the Notes to the extent lawful; it shall pay interest (including post-petition interest in any proceeding under any Bankruptcy Law) on overdue installments of interest (without regard to any applicable grace period) at the same rate to the extent lawful.

Section 4.02 *Maintenance of Office or Agency.*

The Company shall maintain in the Borough of Manhattan, the City of New York, an office or agency (which may be an office of the Trustee or an affiliate of the Trustee, Registrar or co-registrar) where Notes may be surrendered for registration of transfer or for exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company shall give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in the Borough of Manhattan, the City of New York for such purposes. The Company shall give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

The Company hereby designates the Corporate Trust Office of the Trustee as one such office or agency of the Company in accordance with Section 2.03 hereof.

Section 4.03 *Reports.*

(a) Whether or not required by the SEC's rules and regulations, so long as any Notes are outstanding, the Company shall furnish to the Trustee and the Holders of Notes, within the time periods specified in the SEC's rules and regulations:

(1) all quarterly and annual reports that would be required to be filed with the SEC on Forms 10-Q and 10-K if the Company were required to file such reports; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Company were required to file such reports.

(b) All such reports shall be prepared in all material respects in accordance with all of the rules and regulations applicable to such reports. Each annual report on Form 10-K shall include a report on the Company's consolidated financial statements by the Company's certified independent accountants. In addition, the Company shall file a copy of each of the reports referred to in clauses (1) and (2) in Section 4.03(a) above with the SEC for public availability within the time periods specified in the rules and regulations applicable to such reports (unless the SEC shall not accept such a filing) and make such information available to securities analysts and prospective investors upon request.

(c) If, at any time, the Company is no longer subject to the periodic reporting requirements of the Exchange Act for any reason, the Company shall nevertheless continue filing the reports specified in Section 4.03(a) with the SEC within the time periods specified above unless the SEC shall not accept such a filing. The Company agrees that it shall not take any action for the purpose of causing the SEC not to accept any such filings. If, notwithstanding the foregoing, the SEC shall not accept the Company's filings for any reason, the Company shall post the reports referred to in Section 4.03(a) on its website within the time periods that would apply if the Company were required to file those reports with the SEC.

(d) If the Company has designated any of its Subsidiaries as Unrestricted Subsidiaries, then the quarterly and annual financial information required by Section 4.03(a) shall include a reasonably detailed presentation, either on the face of the financial statements or in the footnotes thereto, and in Management's Discussion and Analysis of Financial Condition and Results of Operations, of the financial condition and results of operations of the Company and its Restricted Subsidiaries separate from the financial condition and results of operations of the Unrestricted Subsidiaries of the Company.

(e) In addition, the Company agrees that, for so long as any Notes remain outstanding, at any time it is not required to file the reports required by Section 4.03(a) with the SEC, it shall furnish to the Holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Section 4.04 *Compliance Certificate.*

(a) The Company shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officer's Certificate prescribed by the TIA stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge the Company has kept, observed, performed and fulfilled each and

every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions of this Indenture (or, if a Default or Event of Default has occurred, describing all such Defaults or Events of Default of which he or she may have knowledge and what action the Company is taking or proposes to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Company is taking or proposes to take with respect thereto.

(b) So long as not contrary to the then current recommendations of the American Institute of Certified Public Accountants, the year-end financial statements delivered pursuant to Section 4.03(a) above shall be accompanied by a written statement of the Company's independent public accountants (who shall be a firm of established national reputation) that in making the examination necessary for certification of such financial statements, nothing has come to their attention that would lead them to believe that the Company has violated any provisions of Article 4 or Article 5 hereof or, if any such violation has occurred, specifying the nature and period of existence thereof, it being understood that such accountants shall not be liable directly or indirectly to any Person for any failure to obtain knowledge of any such violation.

(c) So long as any of the Notes are outstanding, the Company shall deliver to the Trustee, forthwith upon any Officer becoming aware of any Default or Event of Default, an Officer's Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

This restriction on Liens will not, however, apply to:

(1) Liens:

(a) on assets or property incurred by the Company or any of its Restricted Subsidiaries to secure Indebtedness Incurred by the Company or such Restricted Subsidiary to finance the exploration, drilling, development, construction or purchase of or by, or repairs, improvements or additions to, property or assets of the Company or such Restricted Subsidiary, as the case may be, which Liens may include Liens on the Capital Stock of such Restricted Subsidiary or

(2) Liens existing on the date of issuance of the Notes, other than Liens relating to Indebtedness or other obligations being repaid or Liens that are otherwise extinguished with the proceeds of the Notes;

(3) Liens on property, assets or shares of stock of a Person at the time that Person becomes a Subsidiary of the Company; *provided, however*, that any such Lien may not extend to any other property or assets owned by the Company or any of its Restricted Subsidiaries;

(6) Liens incurred on assets that are the subject of a Capitalized Lease Obligation to which the Company or any of its Subsidiaries is a party, which shall include Liens on the stock or other ownership interest in one or more of the Company's Restricted Subsidiaries leasing such assets;

(7) Liens to secure any refinancing, refunding, extension, renewal or replacement (or successive refinancings, refundings, extensions, renewals or replacements) as a whole, or in part, of any Indebtedness secured by any Lien referred to in clauses (1), (2), (3), (4) or (6) above; *provided, however*, that (a) such new Lien shall be limited to all or part of the same property or assets that secured the original Lien (plus repairs, improvements or additions to such property or assets and Liens on the stock or other ownership interest in one or more Restricted Subsidiaries beneficially owning that property or assets) and (b) the amount of Indebtedness secured by such Lien at such time (or, if the amount that may be realized in respect of such Lien is limited, by contract or otherwise, such limited lesser amount) is not increased, other than by an amount necessary to pay fees and expenses, including premiums, related to the refinancing, refunding, extension, renewal or replacement of such Indebtedness; and

(8) Liens by which the Notes are secured equally and ratably with other Indebtedness pursuant to this Section 4.12;

provided, however, the Company or any of its Restricted Subsidiaries may incur other Liens to secure Indebtedness as long as the sum of:

(x) the lesser of:

(a) the amount of outstanding Indebtedness secured by Liens Incurred pursuant to this proviso (or, if the amount that may be realized in respect of such Lien is limited, by contract or otherwise, such limited lesser amount) and

Section 4.13 [Reserved.]

Section 4.14 *Corporate Existence.*

Subject to Article 5 hereof, the Company shall do or cause to be done all things necessary to preserve and keep in full force and effect:

(1) its corporate existence, and the corporate, partnership or other existence of each of its Subsidiaries, in accordance with the respective organizational documents (as the same may be amended from time to time) of the Company or any such Subsidiary; and

(2) the rights (charter and statutory), licenses and franchises of the Company and its Subsidiaries; *provided, however*, that the Company shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Subsidiaries, if the Board of Directors shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders of the Notes.

Section 4.15 [Reserved.]

Section 4.16 *Limitation on Sale and Leaseback Transactions.*

The Company shall not, and shall not permit any of its Restricted Subsidiaries to, enter into any Sale and Leaseback Transaction unless:

(1) the Company or such Restricted Subsidiary would be entitled to create a Lien on the property or asset subject to the Sale and Leaseback Transaction securing Indebtedness in an amount equal to the Attributable Debt with respect to such transaction without equally and ratably securing the Notes pursuant to Section 4.12 hereof; or

(2) the net proceeds of the sale are at least equal to the fair value (as determined by the Board of Directors) of the property or asset subject to the Sale and Leaseback Transaction and the Company, or the Restricted Subsidiary, applies or causes to be applied, within 180 days of the effective date of the Sale and Leaseback Transaction, an amount in cash equal to the net proceeds of the sale to the retirement of Indebtedness of the Company, or any Restricted Subsidiary;

In addition, any Restricted Subsidiary may enter into a Sale and Leaseback Transaction with respect to property or assets owned by that Restricted Subsidiary so long as the proceeds of that Sale and Leaseback Transaction are used to explore, drill, develop, construct, purchase, repair, improve or add to property or assets of any Restricted Subsidiary, or to repay (within 365 days of the commencement of full commercial operation of any such property or assets) Indebtedness Incurred to explore, drill, develop, construct, purchase, repair, improve or add to property or assets of any Restricted Subsidiary.
